## WORK EXPERIENCE

### FrontEnd Engineer

Exqure

Lagos state, Nigeria

Exqure is an escrow service platform. We act as a third-party by offering escrow services to business parties. Our escrow services are smart, secure and trustworthy. Our responsibilities are to secure funds on behalf of the buyers and sellers until the terms and conditions agreed by both parties are met.

#### Achievements/Tasks

- Write, design, or edit web page content, or direct others producing content.
- Evaluate code to ensure that it is valid, is properly structured, meets industry standards and is compatible with browsers, devices, or operating systems.
